

CUT 40 PFC

- Pilot Arc Start increases cutting capability and cutting speed, it also improves working life of torch and torch parts
- Grid Cutting is available
- Extremely compact and portable
- Built-in air filter and regulator
- Plasma Central connector makes torch connection quicker and easier
- Generator friendly allows to work with diesel generators and avoid failures due to its voltage spikes
- Built-in Protection Circuit of over temperature and over voltage and over current for better reliability
- 90-275Volts Input Voltage can be worked in Global market

Global Voltage DC 1 Phase

Processes

- Plasma(PAC)

Optional Accessories

- Earth cable and clamp
- S45-4m #00.1376.02
- SC-60-6m #00.2655

Model	Input Voltage	Effective Input Amps	KW	Rated Output at 40°C	No-load Volts	Max.Cutting Thickness	Dimension	Net weight	Protection Class
